

## What is a Family-School Compact?

A Family-School Compact for Student Success is an agreement teachers, parents and students develop together. It is a document that explains how families and schools share responsibility to support the academic development and needs of the students in order to achieve high academic standards of excellence.

### Jointly Developed

The second grade teachers of CC sent home surveys to all second grade parents in order to develop the Family-School Compact for Student Success. Fifty-six percent of parents responded with support for curriculum nights and celebrations of learning.

- Have your child read every night for at least 15 minutes.
- Help your child prepare for the next day (sneakers for P.E., book for library, etc).
- Support learning with regular and prompt attendance.
- Attend parent/teacher conferences.

## Students
