Dear Parents/Caregivers,

The following information is being provided to you as part of home learning resources to use with your child if school is closed due to Coronavirus precautions. Please refer to these recommended resources in the event of a closure.

To get your child access to Google classroom resources, please do the following:

Go to www.google.com
Go to Google Classroom (one of the parts accessible through the "waffle" in the top right corner.
Your child will need to login using their school Google account. (These usernames and passwords will be sent to you via ClassDojo, Remind or email.)

As a reminder, please read daily for at least 20 minutes with your child.

Continue working with your child on snap words, both reading and writing them.
