Weekly Update

September 23, 2019

Journey to Success

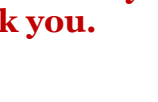

This month we are focusing on the **Northeast Academy Star Points: Respectful, Responsible, Honest, and Safe** with the students at NEA. Please check the [Journey to Success link](#) on the NEA website to find ways you can bring the Journey to Success from school into your home.

Back to School Night

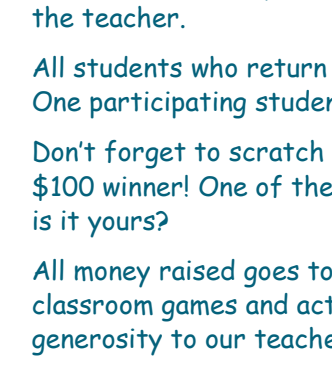

Parents and Care Givers, join us for Back to School Night on Tuesday, September 24th from 5:30-7. This informational evening will be for parents to visit their child's classroom, talk with teachers, and learn about the different programs here at NEA. **There will not be child-care available during this event.**

PARKING RULES

It is important that all **on street parking rules** be followed when attending events at Northeast Academy. Parking is **only** allowed on the opposite side of the street from the school. Please do not block driveways or fire hydrants. We want to be good neighbors and your cooperation is appreciated!

As a reminder, eating on the school bus is not allowed. We have numerous students with food allergies and for the safety of everyone, please remind your children of this rule. Thank you.

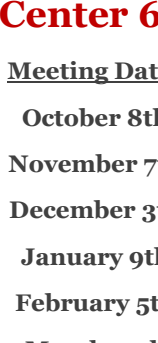

SchoolStore Serving America's Schools™

NEA is once again partnering with SchoolStore.com and your student will bring home a packet which will have participation instructions for this very simple fundraiser. Once you complete the online sign up, please complete the front of the student envelope with your student's name and prize code and return it to the teacher.

All students who return their envelopes will receive a prize just for participating. One participating student in each class will win an additional classroom prize.

Don't forget to scratch off your golden ticket to see if your family is the lucky \$100 winner! One of the envelopes sent to our school does have a winning ticket, is it yours?

All money raised goes to help defray costs of special activities and purchase classroom games and activities. Thank you for your continuing support and generosity to our teachers and their classrooms!

Northeast Academy September Newsletter Calendar

**Always check for changes or adjustments to the upcoming events!*

September 24– NEA Open House 5:30–7:00 pm

September 25–Volunteer Orientation 1–2 pm

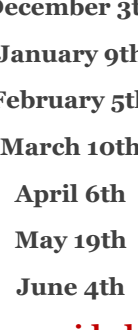

September 26–Beginning Stings Lesson 6–7 pm

PTO Meetings

Media Center 6pm-7pm

Meeting Dates

October 8th

November 7th

December 3th

January 9th

February 5th

March 10th

April 6th

May 19th

June 4th

Childcare is provided at meetings

Be Healthy, Be Fit!

Support from parents is key to helping kids do well academically. Here are two ways parents can put their kids on track to be successful students.

1. Attend Back-to-School Night and Parent-Teacher Conferences

Kids do better in school when parents are involved in their academic lives. Attending back-to-school night at the start of the school year is a great way to get to know your child's teachers and their expectations. School administrators may discuss school-wide programs and policies, too.

NEA's Back to School Night is tomorrow, Tuesday, September 24th from 5:30-7pm.

Attending parent-teacher conferences is another way to stay informed. These are usually held once or twice a year at progress reporting periods. The conferences are a chance to start or continue conversations with your child's teacher, and discuss strategies to help your child do his or her best in class. Meeting with the teacher also lets your child know that what goes on in school will be shared at home.

2. Visit the School and Its Website

Knowing the physical layout of the school building and grounds can help you connect with your child when you talk about the school day. It's good to know the location of the main office, school nurse, cafeteria, gym, athletic fields, playgrounds, auditorium, and special classes. Click the Compass Rose to the left to be directed to our Website.
