New MENTOR Training

Wednesday, September 25, 2019

5:00 PM

West Side STEM Magnet Middle School

Room 2

250 Brandegee Avenue

Groton, CT 06340

The Power of An Hour! The Groton Public Schools Mentoring Program is looking for people who would be interested in volunteering as a mentor and making a difference in a child's life. Mentors spend one hour a week, each week, with a student, at school during school hours, developing a trusting friendship. Mentors are role-models, encouragers, and listeners for the students. **The next training for New Mentors is Wednesday, September 25, 2019 @ 5:00 PM (dinner included) at West Side STEM Magnet Middle School Room 2.**

If you or someone you know is interested in having a positive influence on a student, and to begin the application process, RSVP to our Groton Public School's District Mentor Coordinator—Sharon A. Schick 860-514-2977 or schicksa@sbcglobal.net. You may also contact a Mentor Steering Committee Representative at any of the Groton Public Schools.
