

Welcome Back Everyone!!

- **Welcome Back!!** ~ It was great to see our Cohort B students back in person today! We will welcome our Cohort A students in person on Monday, November 16th. Classrooms will be reviewing social distancing protocols with students over the coming week. I also met with staff to review protocols and the proper use of face coverings. We want to stay as healthy as we can, especially as we move into the winter months.
- **Face Coverings** ~ It is always good to review the importance of wearing face coverings with your students. Specifically making sure they cover the nose and mouth. This is certainly one of our best ways to stay healthy.
- **Out of State Travel** ~ Should you need to travel out of state - please adhere to state guidelines and notify the school should your child need to quarantine upon your return.
- **Daily Attendance** ~ As a reminder: during full-distance learning students will be marked "in attendance" for the day when they are logging in and completing the required daily assignments by the end of that day. Please communicate with your child's teacher if assignments will be turned in later in the evening.
- **November is Family Military Month** ~ Our S.B. Butler school community would like to thank all military personnel for their service. Please visit this site from Sesame Street. It has a lot of resources for families. <https://sesamestreetformilitaryfamilies.org/>
- **Life is Good** ~ Our Super Power focus for the next month is Gratitude. We will be recognizing students that are demonstrating this power throughout the next month. Please be on the lookout for more information next week from Mrs. Stonoha, Mrs. Johnson & Mrs. Fleming.
