Weekly Update

September 16, 2019

Journey to Success

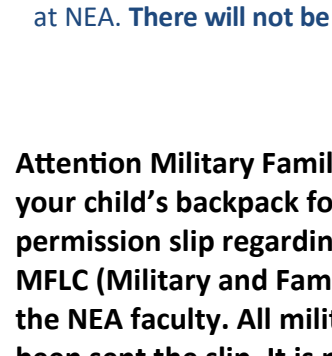

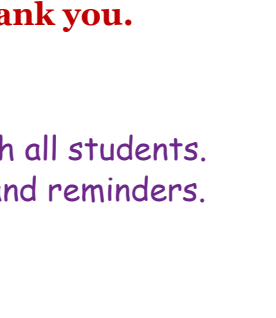

This month we are focusing on the **Northeast Academy Star Points: Respectful, Responsible, Honest, and Safe** with the students at NEA. Please check the [Journey to Success link](#) on the NEA website to find ways you can bring the Journey to Success from school into your home.

Tomorrow, Tuesday, September 17th is our first TLI early dismissal. All students will be on a half schedule which means our dismissal begins just after 1:00 pm for parent pick-up and bus students. Please make sure your student knows what their dismissal plan is. Lunch will be served. Please check the school calendar for other upcoming TLI Tuesdays.

Health and Wellness Day Friday, 9/20/19

NEA will be hosting a variety of presenters from the community, including various first responders who will be bringing their vehicles to school as part of the presentation, for this fun and active day! Please have your students wear comfortable shoes and clothes.

As a reminder, eating on the school bus is not allowed. We have numerous students with food allergies and for the safety of everyone, please remind your children of this rule. Thank you.

A "Note From the Office" is being sent home with all students. Please review it for dismissal procedures, notes and reminders.

Back to School Night

Parents and Care Givers, join us for Back to School Night on Tuesday, September 24th from 5:30-7. This informational evening will be for parents to visit their child's classroom, talk with teachers, and learn about the different programs here at NEA. **There will not be child-care available during this event.**

Attention Military Families: Please check your child's backpack for a cover letter and permission slip regarding the addition of an MFLC (Military and Family Life Counselor) to the NEA faculty. All military families have been sent the slip. It is not out of worry or concern but simply a great opportunity on behalf of the DOD. If you have questions, please call the main office.
