Journey to Success

This month we are focusing on **Hard Work** with the students at NEA. Please check the [Journey to Success link](#) on the NEA website to find ways you can bring the Journey to Success from school into your home.

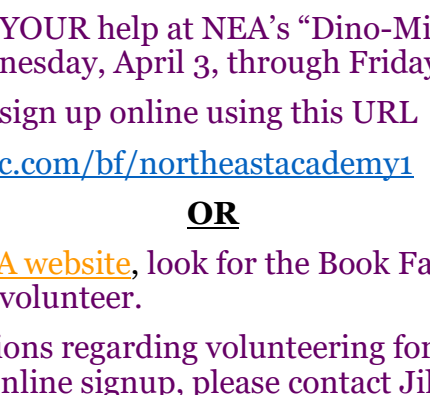

Wednesday, 4/3, Thursday, 4/4 and Friday, 4/5 are early dismissal days for students.

Did you know that every 3 minutes someone is diagnosed with a blood cancer and every 9 minutes someone loses their battle? Northeast Academy had a great first week of collections for Pennies for Patients! Please continue collecting spare change for our 7th Annual ***Pennies for Patients*** campaign! All money will be donated to the *Leukemia & Lymphoma Society*.

Your spare change can help to save a life!

Be Healthy, Be Fit!

Benefits of Being Active

When kids are active, their bodies can do the things they want and need them to do.

Why? Because regular exercise provides these benefits:

- ◆ strong muscles and bones
- ◆ healthy weight
- ◆ decreased risk of developing type 2 diabetes
- ◆ better sleep
- ◆ a better outlook on life

Physically active kids also are more likely to be motivated, focused, and successful in school. And mastering physical skills builds confidence at every age.
