

## MYSTIC RIVER MAGNET SCHOOL Newsletter- November 22, 2022

Dear Mystic River Magnet School Families,

Just as a reminder to please make sure you have an account set up on the **parent portal**. To view your student's report card this year, you will need to access the Parent Portal. In addition, we need to make sure all families are completing the impact aide form. As a military community, Groton Public Schools receive annual Impact Aid grants from the Federal Department of Education, which is a significant portion of our budget and contributes to enriching the educational opportunities of all our students.

Lastly, the first term report cards will be available to parents to view on December 9 in the parent Portal.

For directions on creating a parent account and accessing report cards, please visit this link:
